

A note from the teacher:

Welcome to North Ridge Church Pre-School. It has been my sincere honor to have been teaching pre-school here since Sept. of 2001. Our goal is to teach children skills that will help them begin to become kind, well-mannered citizens in their homes, schools, church and communities. By sharing the love of Jesus Christ with them we hope to begin to instill the fruits of the spirit into their every day lives.

*Thanks for the opportunity!
